### Our Policy

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender identity and expression, sexual preference, age, or disability.

- Board members are expected to contribute financially to the SWF (whatever amount is meaningful to you) in order to cover the majority of our administrative costs so that other donations can go directly to helping women.
- Board members may miss no more than two board meetings/year. Exceptions can be made for significant extenuating circumstances.
- New board members are expected to organize one fundraising event within their first year (e.g. a house party, etc.).
